NEXT GENERAL MEETING

Monday April 18 CH#3 at 6:30 pm

Enjoy the Fun of an Auction on Your **eBay**

At our April 18th Monday Night Meeting, Anne Clark will show us how to use eBay's easy 3-step approach to finding, buying, and paying for items you wish to buy. She will explain the bidding process, reserve price, "Buy-it-Now" price, payment methods (including PayPal), the feedback process, safety tips, local eBay seller services and more.

Additionally, Anne will show a "live" example of bidding on an item and will entertain your eBay questions on buying as well as selling.

Come and learn how this very successful company has made it easy for everyone to participate using their PC and reliably buy and sell thousands of different items on the Internet.

Three eBay books will be awarded as attendance prizes.
