

NEXT GENERAL MEETING
 Monday JUNE 21, CH#3 at 6:30 pm

Music Through Your PC

**Apple Computer's
 New Easy-To-Use
*iTunes***

Now Available for Your PC

iTunes Enables You to (legally) Choose From Over 700,000 Songs, And Download Them to Your PC.

Attend and Win A CD with Your Favorite Song

With over 2.7 million downloads per week, Apple's iTunes Music Store has captured over 70% of the (legal) music-download market share, and boasts the Web's largest (legal) download catalog with more than 700,000 songs.
