

It is with great sadness that the board of the PC Club announces that one of our most active members has passed on February 16, 2021. Bob was an involved member of our Laguna Woods Village community and president of the PC Club for many years. After he retired as president of the PC Club, he became the Club's Publicity chair.

Bob devoted much of his time to helping make the PC club successful, and will be missed by all who knew him. He was always willing to step up and do whatever was needed, with a smile for all involved.

in 2010, Bob Sellards was honored by the Historical Society of Laguna Woods for his work in the community and his commitment to the PC Club. Additional information on Bob and his award may be found in the Orange County register article link below.

Our deepest sympathy go to his wife Ronnie and his family.
