

## **Intermediate Internet and Email in Chinese Language**

**Wednesdays, 9.30 AM to 11.30 AM: 5 weeks**

**Instructor: Frank Liu**

**Course begins July 11th and ends August 8th**

**\$25.00; Members - \$15.00**

The class is intended for those who are using the Internet and Email but may have difficulty managing them when encountering a problem. The class will emphasize the effective use of the Internet and Email. The frequently used functions and features of Google Chrome, Microsoft Edge and Mozilla Firefox will be presented for Internet browsing. Gmail and Yahoo Mail will be the main subjects for Email. The class will be conducted in Chinese language.

*Prerequisites:* familiar with Microsoft Windows OS and already using Internet and Email. Course is not intended for computer beginners.
