

# PC Club General Meeting

September 12, 2017

## GOOGLE MAPS

**Bob Sellards**

Google Maps offers us tools to search, explore, gather info. and travel more easily– or just have an armchair tour of our World.

- PC users: maps.google.com – or – click on all Apps gateway.
- Smart Phone and Tablets: download the Maps App. iPhone and iPad – ditto)

### **Open Maps: type a location in the Search box**

*-a Menu will always be present in the upper-left corner-*

**► Click Menu: scroll down to “Get Help”**

**-take the “tour”; review “tips and tricks”-**

- *Google provides controls – bottom-right corner of map*
- *the mechanics to use Maps are your Mouse (scroll wheel) and your keyboard – Ctrl. Key.*

*-know where you are by clicking “location” icon-*

*-see “Street View” by clicking on Pegman-*

1. In Search Box type: Soka Performing Arts Center. Click on -  
Nearby      Send to Phone      Share      Save

*-note that Satellite View is available-*

2. Type: Dana Point Harbor:

*-note photos (2 types) are now available!*

3. Type: Balboa Island: wow!! (use all the tools here!)

Click: [www.youtube.com](http://www.youtube.com) Type Google Maps in Search Box; click the red box to SUSCRIBE to their Channel - for extensive information on using Google Maps

Click below to see some of the technology utilized in creating “Street View” scenes:
