The computer workshop is one of the busiest places in town even in inclement weather. We strive to keep our facility up to date in hardware, software and peripheral equipment. Our volunteer staff is ready and waiting to help all residents make use of this superior facility.

We invite everyone to help us keep raising our goals and upgrading our facility by becoming a member now for 2005.

Just complete this membership form and mail it to the POBox address on the bottom of the form. Or, better yet, bring it up to our third floor location in the Community Center and have a look around.

Ideas! Wishes! Hopes! Desires! Inspirations!

How may we help you keep computing?

What would you like the PC Club to do for you?

Communicate your thoughts to us in writing and bring them to the computer workshop. The Greeters will be happy to take them from you and pass them along to your Board of Directors. You don't even have to put your name on them unless you would like to.
