HOW TO DISPOSE OF USED COMPUTERS

There is a volunteer organization called **Computers2schools** that exists for the purpose of refurbishing computers and donating them to non-profit groups engaged in teaching computer skills. For details contact Chris Pflanzner at cpflanzner@computers2schools.org (or 714-521-5111).

AND

We have a LW resident (**Felicia Sharkey 581-5305**) who will pick up used, but working older PC's for her son's school in Moreno Valley, California. She has received seven systems so far. The school children are in the process of making thank you notes for the club.
