

Surf 'N Stuff 'N Tips

WORD FUN

Text Twist is a fun word game. You are given six random letters. You have to come up with as many words as you can from those letters.

Click on each letter or type using the keyboard and press enter. If the word is in the dictionary, you get credit. Continue finding new words until time runs out. If you get stuck, click the twist button to rearrange the letters.

SUBJECT: Colors

What's your color?

I'm sure you've heard of astrology and numerology. But have you ever heard of colorstrology? Well, I hadn't until I found this site.

A color is assigned to each month. That is your birth color. It may not be your favorite color, but it is designed to honor the real you.

Click on your birth month to find your color. Then, click again for an in-depth explanation. Choose your birthday from the calendar above for more specific information.

ALL FELINE LOVERS REJOICE!

Now you can create a Web page for your cats. Upload pictures, a quick bio, pet peeves (pun intended, I'm sure), favorite food and napping area, and other tidbits of information.

You can search for cats by breed, name, size, town or most-befriended. You can even search for cats that need rescue.

MORE WORD FUN

Sundays are perfect for sitting down with a cup of coffee, a crossword puzzle and a lot of time.

USA Today posts a crossword puzzle each day. You can choose either regular or master skill level. Regular level players can get hints for words. Incorrect letters are marked in a different color.

MORE CATS

Someone posted a picture of his cat looking at a flower in a message board. Someone else took a picture of his cat looking at the original cat. That brought about today's site.

There are now almost 300 pictures of cats looking at pictures of cats. It's silly but fun.

NEW LOOK:

Seeing the same thing everyday gets boring. That's why we get our hair styled differently or rearrange the furniture. If you work with computers, you probably stare at the same desktop for hours at a time. Today's site helps jazz things up.

InterfaceLIFT has a number of different looking icons, wallpaper and themes for Microsoft Windows, Mac OS X and Linux operating systems.
