SO YOU THINK YOU KNOW EVERYTHING?

Winston Churchill was born in a ladies' room during a dance.

The words 'racecar,' 'kayak' and 'level' are the same whether they are read left to right or right to left (palindromes).

There are only four words in the English language which end in "dous": tremendous, horrendous, stupendous, and hazardous

There's no Betty Rubble in the Flintstones Chewables Vitamins.

TYPEWRITER is the longest word that can be made using the letters only on one row of the keyboard.

Women blink nearly twice as much as men.

The sentence: "The quick brown fox jumps over the lazy dog" uses every letter of the alphabet.

Not for Women Only from Katy

Broken cookies have no calories

When you eat standing in front of the refrig. the calories don't count (although your feet might get bigger)

If you eat all the goodies (pig out) in one day your body can't accept all those calories

If none of the above work, just say you are taller
