Broadband:

The GRF is considering the future of our Cable/Broadband system. Technological changing rapidly and we have to determine how to proceed.

New Business:

Joe suggested that we consider holding an "Electronic Expo". Roger commented that the previous Expos were very successful. Joe agreed to be the Chairman. There was general acceptance of the ideas. The Camera, Video, and Mac clubs should be invited to join with us.

Marge reported that the desk near the door in the Learning Center is falling apart and needs to be replaced. Kaye should be point man on this. Board will support.

There being no further business, the meeting was adjourned at 4:40 P.M.
