## VIRTUAL SWAP MEET

Maybe your garage, basement, attic, or closets are cluttered with "junk." You could donate it to charity or have a garage sale. But then what would you do with all that extra space?

At today's site hand-picked, **SwapThing** will help you trade your "junk" for other people's "junk." So you never have to worry about empty closet space or unsightly bare shelves.

List your items for free. A \$1 transaction fee only applies to completed trades. Then you can negotiate with other users for things that you want. The variety rivals eBay, so there's no telling what you'll find.

Don't have stuff to trade? You may convince others to swap for some of the green stuff. You know, cash.

So clean out your spaces now. [www.swapthing.com](http://www.swapthing.com)
