## Your PC as an Investment Tool

This presentation by Dr. Marvin H. Fineman will be an eye opener. He will show you, step by step, how to easily find stock mutual funds that will meet your risk tolerance and investment objectives. He will specifically point out a list of mutual funds that have actually averaged a compounded annual return of from 29% to 60% in the last three years with relatively low risk.

Financial security is important to all of us and you can do something about it. Come and learn how you can use the free tools on your PC to help achieve this important goal.

### Why Athletes Can't Have Real Jobs

Upon hearing Joe Jacobi of the 'Skins say, "I'd run over my own mother to win the Super Bowl," Matt Millen of the Raiders said: "To win, I'd run over Joe's Mom, too."
