Schedule of March SIGS

We recognize and regret the inconvenience to those who have tried to attend our Saturday SIGS but were turned away because the facility was already filled. The Fire Code limits the classroom occupancy to a 54 person capacity and we cannot go over that limit. We recommend early arrival to alleviate being turned away.

Saturday, 1:00pm, March 4 "Playing Golf on Your Computer" with Ken Lamb

Saturday, 1:00pm, March 11 " Power Point" with Roger Turner

Saturday, 1:00pm, March 18 "Paint on Your Computer" with Mel Dollar

Friday, 3:30pm, March 24 "Internet E//Mail" with Norm Salzberg

Saturday, 1:00pm, March 25 "Free Software Open Source" with Stan Gendelman
