Treasurer's Report – Mary Brunner: The major sources of income last month were dues and class fees. There were no unusual expenses. It was MSP (Kathy, Lydia) that the Treasurer's report be accepted as presented. Mary reported that Charles Nahas audited the books and located and corrected the discrepancy that was found earlier. Everything is now in order. It was MSP (Kaye, Marge) that Charles be presented with a \$50 gift certificate in lieu of a fee for service.

Education Report – Kaye Hammerman: Registration for March semester is now open. Basic classes are filled and there is a large waiting list. Kaye thanked Murry Katzen for supplying the student work books.

The SIGs for March are "Golf On Your Computer" with Ken Lamb, "Power Point" with Roger Turner, "Paint" with Mel Dollar and "Internet/E-mail" with Norm Salzberg. Some of the SIGs have been filled to overflowing. The room capacity has been set by the Fire Marshals and must be maintained so attendees are urged to arrive early.

Workshop Report – Norm Salzberg: Roger presented the report for Norm. The HP4200 printer malfunctioned and was replaced with the spare. The printer was recently serviced. If one of the replaced parts has failed they are still under warranty. A procedure for the care and feeding of the network printer is in the works.

John Trask is investigating LCD monitors to replace old CRT monitors. All systems will be surveyed to update program versions available per unit. Burt Goldstein will be out for a month. Substitutes are urgently needed for Saturday morning shift.

The Friday afternoon shift is adequately staffed despite loss of one supervisor.

Attendance for 2005 was 28,170.
