

AOL Members alert!

PC Club members who have AOL as their Internet Service Provider please take note:

KATY LINK, vice-president of the LWVPCClub, sends out the e-mail notices for the club. Her e-mail address is menromi@fea.net.

Recently someone (or ones) reported her to AOL as being a "Spammer." Therefore, AOL has blocked her from sending any notices or mail to any AOL Customer. We are working on trying to get this situation resolved but until we do, our AOL members will not be receiving any e-mail messages from the Laguna Woods Village PC Club.

If you have an alternate e-mail address and you wish to receive e-mail notices from the LWVPCClub please send her your alternate address.

We are sorry about this situation. We hope it will be resolved soon.
