## The Perks of Being Over 55

1. In a hostage situation you are likely to be released first.
  2. No one expects you to run into a burning building.
  3. People call at 9 PM and ask, "Did I wake you?"
4. There is nothing left to learn the hard way (except computers).
  5. Things you buy now won't wear out (except computers).
  6. There are few challenges left (except computers).
7. You can eat dinner at 4 PM and see your friends eating as well.
  8. You get into heated arguments about pension plans.
  9. You have a party and the neighbors don't even realize it.
10. Your supply of brain cells is finally down to manageable size.
  11. You quit trying to hold your stomach in no matter who walks into the room.
  12. You won't remember where you read this list!

### BOARD MINUTES FOR JUNE, 2005 continued from page 4

**New Business:** Norm proposed reducing the membership dues to \$10. No action taken at this time. It was MS (John, Lydia) that all qualified Supervisors, Greeters and Board members be entitled to register for one PC class each semester, on a space available basis. Motion passed unanimously.

John recommended that the greeters maintain control of the CDs and diskettes.

The meeting was adjourned at 5 P.M.

Lydia Savedoff, Secretary.
