## Questions and Answers

On Monday October 17<sup>th</sup>, our monthly program will feature an opportunity for all members to submit computer-related **Questions**, and receive prepared **Answers** from a panel of computer experts. **Questions** may relate to hardware or software, to a recurring computer problem, to a problem or feature of an application, to digital photos, or to something about your computer that you do not understand. Frequently, we have occasions where a **Question** arises, but we don't know who to ask, or we may be afraid to ask. Take this easy opportunity to submit a **Question** and get an **Answer**.

**Questions** may be submitted via email to Katy Link at: [menromi@fea.net](mailto:menromi@fea.net), or they may be submitted to the Greeter in the Workshop. Members may submit more than one **Question**. **Questions** may be signed or may be anonymous. If your **Question** is signed, it will enable panel members to follow-up for clarification. All **Questions** must be received by close-of-business, **October 2nd**.

Panel members will collect and review all **Questions**, and will prepare **Answers** prior to the program. At the program, panel members may display a computer page on the large screen to assist in explaining or demonstrating their **Answer**. The three **Questions** judged by the panel to be the best will receive a prize from the Computer Club.

### LWPCUG has a new "Classified Ad" page on our Web Site

This page is provided as a free service to LWPCUG members. Ads may be "For Sale" ads, "Want" ads, Service Offers and Service Requests; all ads must be computer-related. They will be posted for one month.

Here is the link to the page, which explains the requirements for placing an ad: <http://www.lwpcug.com/forsale.html>

Many thanks to our Web Master, Anne Clark, for all her work on this very informative & interesting Web Page !
