## The new mayor's goals for Laguna Woods

By **EMILY RASMUSSEN**  
CONTRIBUTING WRITER

Shari Horne was elected mayor last month in a unanimous vote by the Laguna Woods City Council. Horne, who has served on City Council since 2014, also sits on the county's Senior Citizens Advisory Council and is a senior assembly member on the California Senior Legislature. The Globe caught up with her to find out about her priorities for 2017 and beyond.

**Q: What goals do you want to achieve as mayor?**

**A:** The mayor is just one of the team so you don't really have specific goals as mayor, as you do for the whole council. I would like to see our work plan move forward and all the things we're working on as a council to be accomplished, and I would like to see all the spaces filled. I know we're getting a new Aldi and (Dollar Tree), but I'd like to see all of our commercial areas filled up. There is something I am working on personally, and it's that golf cart crossing on Health Center Drive and Calle De La Plata, across (Paseo de Valencia).

**Q: Any other specific goals?**

**A:** I'd like to see our dog park renovated, to see the new carpeting put in there. I'd like to see that get done very quickly, because when it gets hot it burns the little paws of the dogs.

**Q: How do you plan to expand senior advocacy?**

**A:** I'm working right now with people from nonprofits and other elected officials on the Orange County Specific Plan on Aging. They have five specific areas, including transportation, elder abuse and social access. I'm sitting on a few of (the committees), and what they're trying to do is get an 18-month pilot program going to see if any of the ideas coming from these work groups can be expanded throughout the county.

**Q: How do you plan to apply your expe-**

**LAGUNA WOODS** • Advances in technology and its growing necessity in everyday life bring the increasing vulnerability of users to cybercrimes. Despite Laguna Woods' low crime rates, many residents have expressed concerns about cybercrime, fraud and telephone scams plaguing the community.

"(Scammers) called several times and

I hung up on them," said Helen Coutant, member of the PC Club. "I got a call back each time, scolding me for not calling them and listed scary consequences for me. These people were scary in content and tone."

Coutant's story is not uncommon, with California having the highest number of cybercrimes in the United States, according to an FBI report. In 2015, the

## United approves additional occupant fee

By **EMILY RASMUSSEN**  
CONTRIBUTING WRITER

**LAGUNA WOODS** • A resolution to assess a \$90 monthly fee for each additional occupant over two was approved by United Mutual on Tuesday.

Currently, the Golden Rain Foundation charges a \$49 fee per manor per month when more than two people occupy a unit for "incremental wear and tear to community facilities and use of services."

The additional fee for United is intended to cover costs for items such as electricity, water, sewer, trash and maintenance. The fee will not be charged for live-in caregivers.

The board approved the resolution 9-2, with President Lenny Ross and Director Cash Achrekar abstaining. The fee will take effect April 1, after the board revisits the issue in February.

### Cable service

In a unanimous vote, United approved an endorsement that will allow deactivation of cable services at a delinquent member's unit.

The policy will be revisited in February before it goes into effect.

### Nonsmoking policy

In a unanimous vote, United Mutual approved a nonsmoking policy. The pol-

## CHERYL'S CORNER

# Season of peace can connect, empower

According to park rangers in the Northern California Pacific Coast forests, the redwoods and sequoias have an underground secret. These mammoth trees with shallow root systems in loose soil on hilly terrains are able to survive – and thrive – because their roots reach outward and wrap tightly around the roots of their neighbors. This fascinating fact of nature is a good role model for how we can become more connected to each other without the necessity of a deep, lifelong time together.

January offers a clean slate, the start of a season not associated with winter, spring, summer or fall. Called the Season for Nonviolence, it occurs Jan. 30-April 4. Originally the season was meant to honor Mahatma Gandhi's 50<sup>th</sup> memorial anni-

versary and Martin Luther King's 30<sup>th</sup> anniversary at a United Nations function. Now it is an active, 64-day educational, media, and grass-roots campaign that demonstrates how nonviolence is a compelling way to heal, transform and empower our lives and communities. According to Barbara Fields in Unity Magazine's latest issue, "through countless creative programs, events, study groups, exhibitions, and services, 900 cities across 167 countries have celebrated the Season since inception."

What does participation in the Season for Nonviolence look like? It can be as simple as choosing to share a smile. In a more organized manner, there is the option to participate with others from organizations and faith groups hosting activities relat-

ed to the season.

Examples of events are screenings of the movie "Gandhi," focus group meetings to discuss community programs promoting peace and nonviolence, and theme-related presentations. Hands-on projects such as creating peace gardens, peace poles and peace flags attract people of all ages and walks of life who participate alongside each other for a common goal.

Just as the roots of the redwoods and sequoias reach out to other trees, opportunities abound for us to strengthen our outreach to others in a greater spirit of peace. The Season for Nonviolence doesn't have to end April 4. Its mission can be a choice at any time.

## rience from the Senior Citizen Advisory Council to your position as mayor?

**A:** To reach out to people. I want to have one day out of the week where I can be at City Hall and people can come and talk to me, either about issues they have or things that work particularly well in this city, or in other cities that they would like to see here.

## Q: In your work with the California Senior Legislature, what will you be doing in Sacramento this month?

**A:** The last time we were there we got our top 10 state and federal proposals. So what we're going to be doing is talking to the Assembly and Senate members to see if they would pick up our proposals and push them through so they get chaptered into law. We've had over 260 proposals chaptered into law over the time that the Senior Legisla-

ture has been in existence. One of the last ones is the Death With Dignity law.

## Q: As an environmental activist, do you have plans to improve efficiency in Laguna Woods?

**A:** I would like to see more multimodal trails, because it's good for people and it's good for the earth.

For clean air and water, I'd like us to look at the smoking rules again. I'm very happy the Third Mutual is now looking into making some of the buildings smoking restricted, or allowing some residents to do that, like they are in United.

## Q: What do you want Laguna Woods to look like when you retire from your position as mayor?

**A:** I would like all of our sidewalks to be built into multimodal trails. I would like to see us fully connected to other cities with bike lanes that golf carts could take, and I would like to see our seniors trundling around on their golf carts all over the place and have access to everything.

state accounted for nearly 15 percent of the 288,012 cybercrime victims nationwide, the report stated, with \$195 million in statewide losses.

Fortunately for Laguna Woods, new police services chief Lt. Fred Thompson has an extensive background in cybercrime and fraud, having been part of the Orange County Sheriff's Department Cybercrimes Investigations Unit.

Cybercrime, fraud and scams are a growing danger, Thompson said. Criminals tend to prey on people who are more vulnerable and susceptible to digital crimes, such as older adults, he said.

Scams typically involve dishonest allegations, ranging from claims that a grandchild vacationing in Europe is in need of emergency money to demanding payment of a fine for missing jury duty, Thompson said. The easiest way a person can avoid becoming a victim to these scams is by simply hanging up the phone, he said, since most government agencies send information by mail only.

"Most of us here in the Village were not born in a generation where we used computers much, if at all," said Bob Sellards, president of the PC Club. "We have many people who come in (to the PC workshop) and we're all trying to catch up with our grandkids."

Sellards and Coutant suspect that criminals could be using the Laguna Woods ZIP code to track down phone numbers of elderly people as targets.

"The likelihood of getting a senior who lives in this Village is very high," Sellards said. "If you make enough calls, it's just the law of averages; if you make 20 calls a day you just need one or two to bite."

In addition to fraud and telephone scams, Thompson said, he fears the "internet of things" will become another opportunity for crime. The internet of things includes any device that connects to the internet, such as mobile-operated security systems, garage doors and other smart devices. Since these devices are connected to a network, criminals can access them if they are able to hack into the network.

Avoid becoming a victim to cybercrime, fraud or scams by using common sense, Thompson said. Take precautionary steps such as using firewalls on computers and difficult passwords.

According to the Sheriff's Department, current scams include a text-phishing scheme claiming to be Social Security and asking for personal information, online employment scams that offer free checks, a tech-support scam claiming the caller is from Microsoft Tech, telephone requests for tax information, and a warrant for your arrest.

The Sheriff's Department website [ocsd.org/howdoi](http://ocsd.org/howdoi) is a good resource for

icy is similar to the city's ordinance, which prohibits smoking in all public areas.

If passed when revisited in February, the policy will prohibit smoking in all public and many common areas. Residents can smoke tobacco and marijuana in their units if the doors and windows are closed. If the policy is violated, the board has the authority to impose fines, suspend member privileges and/or use legal action.

## Building classifications

United unanimously voted to modify the Monterey-style buildings classification from a one bedroom plus a den to a two-bedroom unit for manors with original construction only. Vehicle decal recommendations per number of bedrooms remain the same; two-bedroom units will receive up to three vehicle decals.

## Resales

The average resale price of a co-op in December was \$238,215, up from \$225,157 in December 2015. Resales year to date numbered 518. Sales volume in December was \$8 million, down from \$9.4 million in December 2015.

## LETTERS TO THE EDITOR

## A broken tradition

I have lived in Laguna Woods for over 25 years. Every Christmas, I have looked forward to enjoying our uniquely decorated gate houses. It's my understanding that our "Ambassadors" have spent their own money to accomplish this, and it has been a pleasure to see their results.

This year was different. Gone were the decorations. They were replaced by blue and white-yellow lights all along the base of the gate house roofs. I inquired and was told that some residents objected to the decorations. Also, using extension cords to light the displays was a potential fire hazard.

Assuming these two issues were the reason we lost our tradition, I hope the offended persons will reconsider, and VMS will install gate house indoor-outdoor outlets for the 2017 Holiday Season.

**Richard M. Vogel, 4010-2A**

## Make our voices heard

Within our city, we currently have several major commercial spaces vacant. The city just announced that a coffee shop will be coming to the Willow Tree Center. When was the last time you went out for a cup?

Office Max and Hometown Buffet have both left. These are large spaces,

which are centrally located and close to our Community Center, where most of us have business from time to time. Who would you like to see as new occupants in these spots? What do we need in the city to make our lives more convenient?

**Sheila Bass, 5528-C Via La Mesa**

## Bus buddies won't solve problems

The letter in the Jan. 5 Globe suggesting we volunteer as "bus buddies," written by someone who is a plant for VMS, is not going to make the system any better. As someone who has ridden the buses for 20 years and been through three major changes, I have learned the new system and knowing it doesn't solve the problem it has. Time is the major problem. There are only two buses in each neighborhood, one east, one west. If you have an appointment (like to a doctor) you must go an hour early to get there on time. If your appointment runs a little over, you might just miss the return bus and have to wait another hour. If you go to CVS to make a quick purchase, you have to wait an hour for the bus to pick you up to go to Trader Joe's or Penney's. The buses go around in circles before exiting the gate to start their routes. That takes a lot of time.

I don't understand how someone figured the \$25 cost for a round trip to Sta-

ter Brothers. Now, three buses arrive there almost on top of each other. How does that save money? Why is changing the bus system the only way to save money? The buses have been a prime marketing tool because Realtors stress you'll need them when you can't drive anymore. The new system robs bus riders of time, choice and convenience. Learning the system won't change that.

**Jeanne Manning, 872-P**

## Dog park a bust

The Jan. 5 story about off-leash dogs was accurate except the references to A Place for Paws, the Ridge Route dog park. In cool months, the park is at best tolerable; in the hotter months, it's a hell hole. Due to the AstroTurf, the flies abound and the stench of feces and urine is palpable. Worse, years ago my dog's feet were literally burned after running to fetch a ball. I learned my lesson at my vet where his oozing, bloody pads were treated with an antibiotic and wrapped until they healed; he was miserable.

I launched an effort to convert a portion of the park to grass, a much safer and sanitary option. Many joined my committee, including a representative from the city of Laguna Woods. Unfortunately, the president of the then canine

club put the kibosh on the idea even though scores of folks were willing to put up money and time to install and maintain the grass. I later learned that the park used to be grass and that the AstroTurf was his idea; he obviously had a vested interest in preventing us from having a natural off-leash sanctuary.

While I walk my dog on-leash, he still loves to fetch so I recommend highly the Laguna Beach dog park. It's lovely, expansive, and grass. Yes, it's a bit farther and harder to park, but well worth it.

## The DooWoppers headline Chicago Club dance tonight

SUBMITTED BY ROZANNE DORMAN

Come join The Chicago Club today, Thursday, Jan. 12, in Clubhouse Five for a wonderful evening of fun. We'll begin with the hilarious comedy of Larry Omaha, who set an attendance record at the LA County Fair, has completed a 10-city European comedy tour and has been on Comedy Central and Hot in Cleveland. Then we'll take you back to the toe tapping, 'wanna get up and dance' music of the '50s and '60s with the DooWoppers.

Doors open at 6 p.m. for a No host bar. Program begins at 7 p.m. followed by dessert. You do not have to be from Chicago to join the club or just come to listen and enjoy. We welcome everyone, no

### New York Club

Ring in the New Year by joining the New York Club on Wednesday, Jan. 18 at Clubhouse Five. Nat King Cole), pop classics from the '50s, '60s, '70s--Elvis & Motown, to Neil Diamond and Jimmy Buffet to country. They put together all their own backing instrumental tracks. Add Roger's guitar and Tony's piano and you get an incredible sound.

**FILM CLUBS****Discovering Documentary Film Club,  
'Dancing in Jaffa'**

Dancing in Jaffa is a documentary film about Pierre Dulaine, a four-time world champion ballroom dancer who returns to his birthplace of Jaffa, Israel confident that dance will dissolve political and cultural differences.

His idea of pre-teen boys holding hands with girls is challenging enough, but he wishes for more. He begins by teaching ballroom-style dancing at the city's mostly segregated schools working with the individual population separately. His ultimate goal is to get the kids from the Jewish schools to dance with kids from the Arab schools for a big competition.

The film has many layers which the filmmaker, Hilla Medalia, brings focus to a few kids in particular. The question it asks is, "Can dance alter a long history of hostility?"

We meet Monday, Jan. 23 at Clubhouse One, main room. Doors open at 6:30; film begins at 7 p.m. Running time 100 minutes.

RSVP to CeCe Sloan at 949-683-1278 or email [cecesloa@gmail.com](mailto:cecesloa@gmail.com). to indicate attending and if you wish to become a member at \$10 yearly (10 films.)

### 9-Ball Billiards

Twenty-eight members and guests welcomed each other with handshake and hug greetings for the New Year, while enjoying the delivery of R.T. Shaw's homemade cookies and the best peanut butter/chocolate fudge that I have ever indulged. R.T. was one of the many "cookie men" in Dec./16; Thanks so much for your yummy culinary delights - what a way to start 2017! The first player in the new year to put the 9-ball in the pocket on the break was Leon Hallaert. Way to go Leon; we look forward to your surprise treats next play night. Four-game winners were: Darrell Boutin, Leon Hallaert and Larry Martin. Three-game winners: Dick Anderson, Fred Bailey, Nancy Bechtel, Mike Nedic, Vern Reff, Richard St. Julien and Ken Simonson. Thanks everyone for the fun competitions and treats throughout 2016 and may you enjoy good health and happiness in the new year.

– Helen Fisk

### Bicycle Club

On Sunday's ride to Back Bay I reflect on how fortune favored us permitting us to retire in Orange County, and Laguna Woods in particular. Cycling down the trails in blissful weather, cool but not cold, under brilliant sunshine was a true joy. The presence of good companions

only enhanced the experience. A leisurely pace permitted us to take in the sights of the snow-capped mountains and the teeming migrating birds that winter in the bay.

Those who live in the Village and cycle don't know what they are missing by not joining our happy group! We welcome all cyclists to join our Sunday rides which are not unduly stressful. On Mondays, and Fridays the rides tend to be a couple of mph faster and longer. Information about our rides is posted on the club website: [lagunawoodsvillage.com/section.cfm?id=230](http://lagunawoodsvillage.com/section.cfm?id=230)

On Sunday we will ride down Aliso Creek to Laguna Niguel for coffee. We leave at 9 a.m. from Clubhouse One parking lot. Join us!

### Bocce and Social Club

The weather outside has been frightful and with the holidays just passing us by, we only had 13 people playing on the courts this week. Our winning teams consisted of Irene Jemetz with Barbara Johnson and Henrietta Gawronski and Tom Bise with Vicki Robbins and Pam Anderson. Everyone seemed to be having fun!

Next on our agenda is the Bocce and Socials Clubs' world famous pre-super bowl party, "Pig Skin Bowl and Dinner Event." Our menu will be Papa John's pizza, salad, beverages and dessert...Tuesday, Feb 2, CH1. We will have "Squares" and a variety of fun and games planned. Details forthcoming.

Looking for something fun to do on Valentine's Day? Do we have the event for you! The Bocce Clubs' Valentines Dinner and Dance, Feb, 14 at CH2, with fabulous dinner choices catered by Jolanda and music and entertainment by Tommy Tassi. No need to try to get reservations at a crowded restaurant, spend the evening with all your friends for good fun, great food and award-winning entertainment. Details forthcoming.

Details regarding Bingo will be in next week's column. Don't forget, our membership drive is underway. \$12 per year gets you discounts on all our events.

– Trudi Meyers

### Lawn Bowling

Don't forget to sign up for the rain-postponed holiday "Festivis" Tournament which will be held this coming Wednesday, Jan. 18. Play will start at 2 p.m, but please check in by 1:30. Since we did not postpone the eating part of the celebration, there will be no food served

after the tournament. However, we will be giving out prize money and you may be able pick out a place to celebrate on your own.

There is no open bowling again this Saturday and with all the rain we are having, other Saturdays may be impacted. Winter League takes over our one and only green.

Instruction for new bowlers continues at 9 a.m. every Saturday and at other times by request. Call 949-667-0287 for further information.

See you on the greens.

– Ellie Orewyler

### Paddle Tennis

The weather cooperated and we had a terrific Mixed-up Doubles tourney on Saturday, Jan. 7. Those who wanted to and were able played four sets before we stopped for lunch at 11 a.m. Greg Patti was called in as chef at the last minute, and he grilled those monster burger patties to perfection. Madonna and her crew made sure we had enough of the right food to go with them, so no one had to go away hungry.

The Board will meet on Friday, Jan. 20, at 2 p.m. in Village Greens Club Room 3. We will be appointing a social committee to assist our new social chairperson, Julie Mangino, who has limited availability but is capable of managing the group of doers we will appoint. So, if you're asked to serve, just say yes. We'll make sure you won't be overburdened by helping out.

There will also be discussion of our tourney schedule and planning for the next one, which will take place on Saturday, Feb. 4.

– Doug Tummond

### Putter Patter 18

On Tuesday, Jan. 17, it will be an 8 a.m. shotgun start. Our General Meeting will be at 1 p.m. in Clubhouse Two. Please attend and show your support.

Golf Etiquette: Etiquette covers both courtesy to players and care of the course. The following points are not rules, but they are an important part of the game. 1. Don't move, talk or stand close to a player making a stroke. 2. Don't play until the group in front is out of the way. 3. Always play without delay. Leave the putting green as soon as all players in your group have holed out. 4. Invite faster groups to play through. 5. Replace divots and smooth footprints in bunkers. 6. Don't step on the line of another player's putt. 7. Don't drop clubs on the putting green. 8. Replace the flag-

stick carefully. Have fun!

– Patti Miles

### Saddle Up

Since the beginning, horses have been an essential part of the Rose Parade, with equines pulling flower decorated carriages on New Year's Day 1890. And even with motor vehicles in the parade, equestrian units have remained an important component each year, highlighting a wide variety of breeds including Andalusians, Percherons, and of course, the Clydesdales. Skilled riders, eye-catching costumes and handcrafted tack add to the appeal year after year. The Tournament of Roses Parade on Jan. 2 provided a beautiful array of equestrian & riders. Of the several groups we viewed, three of the drill teams included the wonderful teams that we have been able to watch perform up close and personal at our Laguna Woods Horse show. The Norco Cowgirls, Little Miss Norco Cowgirls and Mane Attraction Drill Teams have appeared bi-annually in our very own horse shows in June and October.

These drill teams consist of riders throughout the Inland Empire of varying ages from preteens to seniors. They even have three generations of riders between the Little Miss and Norco Cowgirls teams. We feel privileged that the teams share their skills with us. The Laguna Woods Drill Team takes pride in riding in the same show and practices for several weeks prior to the shows. The Norco teams and Mane Attraction have been appearing in the Tournament of Roses Parade and Laguna Woods Horse Show for several years and the practice shows in their skills.

### Shuffleboard

Travel Team News: On Tuesday, Jan. 3, the Laguna Woods Owls won at Forest Gardens 14-10. Josephine Boss, Ruth Caskey, Fred Bailey, Helen Fisk and Richard Fumanti won two games each while Doris Helwig, Ed Schluntz, Doug Edwards and Ken Simonson added a game each for the 7-5-2 Owls. This Tuesday, Jan. 17, the Owls will compete at Forest Gardens. Play begins at 9 a.m.

Shuffleboard lessons: Monday afternoons from 1-3 p.m. For information, call Gloria at 949-829-6624.

Shuffleboard Tip of the Week: Changing disc positions on takeout shots--When knocking out an opponent's scor-

## SPORTS

FROM PAGE 38

ing disc that's on the opponent's side of the court, most players shoot from the #1 disc position near the middle of the board. However, after you've attempted this takeout shot, if you notice your disc is drifting too far to the edge of the court & missing or nearly missing the opponent's scoring disc, shoot from the #4 disc position. This wider, more cross-court shot can reduce drift on your opponent's side of the board & increase accuracy on takeout shots. This shot works well when shooting on 1 black head, 1 black foot, 2 black foot, 2 yellow foot, 5 yellow head & 5 black foot. So next time you've been assigned to play on these court spots, try shooting a crosscourt takeout shot from the #4 disc position.

## Rod &amp; Gun Club

The trip today Wednesday, Jan. 4 was great, to say the least. The sea was calm all day. No wind to speak of as we travel around to find hungry sculpins that would bite. Some were here and some were there, as well as a good number of

rockfish, which are now out of season. We also caught a good number of sheepsheads and whitefish too! But they had to go back into the sea. So by end of the day we limited out on sculpins. Our next trip will be on Wednesday Jan. 18. The club does take Laguna Woods Village residents ( friends too ) and, if needed, we will supply fishing gear. All one needs to buy is a license, hooks and sinkers. For information call Richard at 949-458-9855.

## Table Tennis

Jerry Ludlum, one of our information contact persons, informed us that incoming co-president Mike Yang had presented Janine Bolchazy, our membership chair, with a check for our Table Tennis Club. He thought it was for \$1,000. Had he looked closer, he would have seen it was \$2,017. We'll leave it to our readers to figure out why Mike chose that particular amount. We are deeply appreciative of this most generous gift from Mike and Jennifer Yang, who are also known as Pin Fei and Jen Whei Yang.

We've also, learned that Jet Lee and Jye Chen have gifted our club with \$100. This couple has helped our club in so many ways. How would our members survive without Jye's many handmade "picker uppers?" or the Brain Shine program without Jet Lee's cheerful volunteer coaching?

Berta Speisman, banquet chair, reminds members to sign a table list for our Jan. 31 dinner. \$12 for members. \$16 for guests. Checks only. Mabel Tam is busy planning a goodbye event to be held in our room to celebrate Frankie Schantz, who will be leaving us to live permanently in Georgia, close to her children.

Last week, in the absence of Kevin Shin, we watched as Rose Cheng deftly fixed Robot Pong. What a club!

We welcome our newest members, Lori Landau, Henry and Sue Chen, Terry and Nancy Deming, Ku Liang, and Edward Wu.

— Carol Cartwright

## Yacht Club

Our first Happy Hour of 2017 will be held on Friday, Jan. 13, from 4 to 6 p.m. at

2400 Via Mariposa W, in the Rec Room on the parking level. The Club provides wine, beer and soft drinks; please bring an appetizer to share. RSVP to Liza Veeneman, 949-607-7967.

Our next General Meeting is Jan. 27, Friday at 10 a.m. in Clubhouse Three, Dining Room One. Rear Commodore David Veeneman will present "The Fast and the Flurrious." He's not saying what the presentation is about, but members have come to expect a lot of laughs when David presents. Prospective members are welcome, and we encourage everyone to come early and have a cup of coffee with skippers and officers of the club.

Club memberships renew in January. 2017 membership dues remain at \$150 per person and are due and payable at the January meeting.

We have canceled our normal Full Moon Sail for January. Full Moon Sails will resume Feb. 10.

For membership information, please contact Noemi Epstein, 949-525-3446, or see our website at [www.lwyachtclub.com](http://www.lwyachtclub.com).
