

Dear Member

We hope everyone is staying safe and healthy.

Every year the PC Club partners with the AARP TCE program that assists our residents with preparing and filing their tax returns for no cost.

The TCE program shut down in March and will remain shut down until the Community provides us with a location to start up again.

However, the IRS has not changed the due dates.

Just a reminder that your **Federal and California State Income taxes are due this Wednesday July 15th, 2020.**

If you have not filed your taxes and are unable to file by Wednesday July 15th you can apply for an extension.

You can file your extension online by visiting the IRS in the following link:

<https://www.irs.gov/forms-pubs/extension-of-time-to-file-your-tax-return>

Remember with an extension your taxes are still due on July 15th, but your tax return will be due October 15th, 2020.

If you believe you owe taxes, you can make a payment via the IRS web page,
