Instructor: Paul Kratzer

For your convenience, this SIG will be offered on two different days.

The content will be the same.

Are you interested in making a little extra money? Interested in doing part time or occasional work, sharing your skills and knowledge with other Laguna Woods residents?

If you are thinking Yes to any of these questions, then come to our SIG on the Gig Economy to learn more about the Gig Economy and You.

We'll begin by describing what Gig is and go from there.
