See below for the Laguna Woods City Hall "Senior Mobility Program" that offers subsidized taxi rides from \$0 to \$25 per ride. The farthest they'll go for drop-off or pick-up is John Wayne Airport (for \$25! That's a great price!!). To apply, go to City Hall with your ID, fill out a form, they'll take your picture, and issue you a card to use with the California Yellow Cab company.
